Columbia State Community College has published the crime statistics described in 34 CFR 668.46(c) for the last three reporting periods for all campuses, on the Columbia State Community College website <http://www.columbiastate.edu/safety/crime-statistics> . Additionally, copies of the crime statistics for the reporting period covered under this report have been included as Appendix A-C of this report.

These crime statistics are collected for three different geographic areas, which are defined in 34 CFR §668.46(c)(4). These geographical classifications are as follows:

Copies of the report may also be obtained at the campus security supervisor's office located at the facility services building, office 103 on the main campus located at 1665 Hampshire Pike, Columbia TN, 38401 or by calling (931) 797-7669.

Voluntary Confidential Reporting of Crimes [34 CFR §668.46(b)(2)(iii)] (All Campuses)

Columbia State does not have procedures for voluntary, confidential reporting of crime statistics, except in cases of sexual misconduct. Violations of the law will be referred to law enforcement agencies and when appropriate, to the appropriate disciplinary committee for review. When a potentially dangerous threat to the university community arises, timely reports or warnings will be issued through e-mail, text messages, public address announcements, the posting of fliers at local campuses, in-class announcements or other appropriate means. All reports will be investigated.

Columbia State encourages anyone who is the victim, witness or has knowledge of any crime to promptly report the incident. The confidentiality of persons reporting criminal activity can be requested and will be respected when possible but cannot be ensured pending the nature of the crime reported.

Security and Access [34 CFR §668.46(b)(3)] (All Campuses)

During business hours, the college will be open to students, parents, employees, contractors, guests and invitees. During non-business hours access to all college facilities is by key, if issued, or by admittance via the Department of Facility Services. Some facilities may have individual hours, which may vary at different times of the year. Examples are the Wellness Center, computer labs, the library, auditoriums, theater and athletic facilities. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility.

Emergencies may necessitate changes or alterations to any posted schedules.

Safety and security have been considered in the landscape and lighting of the campus and centers. The Security Officer reports maintenance needs sighted during patrol to the Director of Facility Services and Safety at the Columbia campus. The Center Directors for Williamson County, Lawrenceburg, Lewisburg and Clifton Campuses report maintenance needs for their centers to the Director of Facility and Safety Services. Areas that are revealed as problematic have security evaluations conducted of them. Administrators from the Finance and Administration, Facilities and Safety, and other concerned areas review these results. These evaluations examine security issues such as landscaping, locks, alarms, lighting, and communications.

Policy Statement Addressing Substance Abuse Education [34 CFR §668.46(b)(10)]

A. General

Drug and Alcohol Awareness

Columbia State is committed to raising the awareness of students and employees of the health risks associated with the use of illicit drugs and the abuse of alcohol.

A synopsis of those health risks is presented below.

B. Alcohol

Alcoholism is a complex, progressive disease that interferes with health, social and economic functioning. Untreated alcoholism results in physical incapacity, permanent mental damage and/or premature death. Alcohol is involved in one-third of all suicides, one-half of all traffic accidents and one-fourth of all other accidents and is involved in over 50% of all arrests. Alcohol is the third leading cause of birth defects involving mental retardation. Use during pregnancy may cause spontaneous abortion, various birth defects or fetal alcohol syndrome. Drinking is implicated in cancer, heart disease, gastrointestinal disease and other illnesses. Alcoholism has been estimated to reduce life expectancy by twelve years. Alcohol Beverage can damage all body organs, leading to liver, heart and digestive problems, circulatory system interference, change in personality, reproductive problems and central nervous system

disorder such as poor vision, loss of coordination, memory loss, loss of sensation, mental and physical disturbances and permanent brain damage. The physical and psychological changes that occur as a result of addiction to alcohol can pave the way for addiction to pharmacologically similar drugs.

C. Illicit Drugs

The use of illicit drugs results in many of the health risks that are involved with alcohol use. Illicit drug use increases the risk of mental deterioration, death from overdose, physical and mental dependence or addiction, hepatitis and skin infections from needle use, psychotic reactions, inducement to take stronger drugs, brain damage, danger of flashback phenomenon, hallucinations, unconsciousness, deep depression, distortion of time and space, permanent damage to lungs, brain, kidneys and liver, death from suffocation or choking, anemia, amnesia, AIDS and other infections. If used excessively, the use of alcohol and drugs singly or in certain combinations may cause death.

D. Counseling, Treatment and Rehabilitation Programs

The director of counseling and disability services will assist students and/or employees by providing information concerning treatment resources in the surrounding area and assisting individuals in making initial contact with treatment providers. Regular employees may also use the Employee Assistance Program (EAP) by calling 1-877-237-8574 or 1-800-842-9489 (TDD). Information concerning the EAP is available in the human resources office.

E. Education Programs

Columbia State conducts drug and alcohol awareness training for all incoming students during new student orientation. The campuses also provide additional drug and alcohol educational activities such as The DUI Simulator and educational seminars. The Student Catalog and Handbook also provides educational information and procedures regarding alcohol and illicit drug use.

Sexual Assault—the nonconsensual sexual contact with the accuser by the accused, or the accused by the accuser when force or coercion is used to accomplish the act, the sexual contact is accomplished without consent of the accuser, and the accused knows or has reason to know at the time of the contact that the accuser did not or could not consent.

Sexual Misconduct—for the purposes of this policy, “sexual misconduct” is defined as dating violence, domestic violence, stalking, and sexual assault.

Stalking—a willful course of conduct involving repeated or continuing harassment of another individual that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested, and that actually causes the accuser to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

Sexual Misconduct Educational Programs And Campaigns [34 CFR §668.46(b)(11)(i)]

The College will engage in comprehensive educational programming to prevent sexual misconduct. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students, staff, and faculty that:

1. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
2. Defines what behavior constitutes domestic violence, dating violence, sexual assault and stalking;
3. Defines what behavior and actions constitute consent to sexual activity;
4. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault and stalking against a person other than the bystander;
5. Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks; and
6. Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.

Procedures Victims Should Follow If A Sex Offense Occurs [34 CFR §668.46(b)(11)(ii)]

If you are a victim of a sexual assault, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Columbia State Community College Security Office strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault can be reported directly 9-1-1 or to a Columbia State Security Officer. If the victim wishes to make a confidential notification, the victim should follow the procedure outlined below for confidentially reporting sexual misconduct. The victim may be assisted by campus authorities in notifying local law enforcement. The victim should contact the Columbia State Community College Security Office or the Title IX Coordinator for assistance.

A victim has the right to decline to notify local law enforcement. However, filing a police report with a local law enforcement agency will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- ensure the victim has access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a victim of sexual misconduct presents to the College, the institution will provide written information about the importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order. The College will also provide written notification to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services available for victims, both on our campus and in the community. The College will further provide written notification to victims about options for, and available assistance in, changing academic, transportation, and working situations. The College must make such accommodations if the victim requests them and they are reasonably available, regardless of whether the victim chooses to report the crime to local law enforcement.

Protection from abuse orders may be available through TNCOURTS.gov, with forms found at: www.tncourts.gov/programs/self-help-center/forms/order-protection-forms, and additional information related to such orders may be found at www.tncoalition.org/resources/legal-resources.html.

Regardless of whether an offense occurred on or off campus, the College will provide a student or employee a written explanation of their rights and options when a student or employee reports to the institution that they have been a victim of dating violence, domestic violence, sexual assault, or stalking.

Reporting Sexual Misconduct [34 CFR §668.46(b)(11)(ii)]

The College encourages victims of sexual violence to talk to somebody about what happened so they can get the support they need and so the College can respond appropriately. Though reports will be kept as confidential as possible, the College cannot guarantee the confidentiality of every report or complaint. The following provisions detail the confidentiality options available to individuals.

A. Reporting Confidentially

Columbia State is in the process of hiring a licensed counselor that is required by Tennessee State law to maintain confidentiality of a victim. This counselor will be available in the near future. Once the licensed counselor is hired, Columbia State will engage in an awareness campaign to inform students and staff of the person's contact information. In the interim, students or staff are encouraged to contact the Center of Hope for confidential counseling services. The contact information for the Center of Hope is listed below:

Center of Hope
24 Hour Hotline: (931) 381-8580

B. Filing an Institutional Complaint

Reports of acts of sexual misconduct to any other employee of the College must be reported to the Title IX Coordinator, and the College will take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably.

1. The College shall not share information with law enforcement without the complainant's consent or unless the victim has also reported the incident to law enforcement.
2. Before a complainant reveals any information to an employee, the employee must ensure that the complainant understands the employee's reporting obligations.
3. If the complainant wants to maintain confidentiality, the employee must direct the victim to confidential resources as detailed in Section A above.
4. If the complainant wants to tell an employee what happened but also maintain confidentiality, the employee must advise the complainant that the College will consider the request, but cannot guarantee that it will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the employee will also inform the Coordinator of the complainant's request for confidentiality.
5. In addition to all other employees on campus, an institutional complaint can be filed directly with either or both of the following:

Title IX Coordinator:
Mr. Randy Elston
1665 Hampshire Pike
Columbia, TN 38401
Prior Administration Bldg. 109
relston@columbiastate.edu
(931) 540-2521

Associate VP of Student Services
Ms. Cecelia Johnson
1665 Hampshire Pike
Columbia, TN 38401
Jones Student Center – Rm 146
cjohnson@columbiastate.edu
(931) 540-2762

C. Filing a Criminal Complaint

Contact local law enforcement where the assault occurred. The local law enforcement agency will determine the subsequent steps. An advocate from Center of Hope, the College's Title IX Coordinator, or the College's Security Office can assist in the reporting process.

D. Filing an Anonymous Complaint

Filing an anonymous report will assist the institution with compiling statistical information that can call attention to the number of incidents that occur at the College. If the survivor's identity is not known, no subsequent appropriate services will be made available. The suspect will not be notified that a report was filed if no name is revealed. The report will be sent to the Director of Campus Safety for recording and tracking of incidents on and around the College.

To file an anonymous report, use one of the following ways:
Call the Sexual Violence Hotline at 931-540-2503

Send by mail to:

Title IX Coordinator
Columbia State Community College
1665 Hampshire Pike
Columbia, TN 38401

E. The College will to the extent possible complete publicly available record-keeping, including Clery reporting, without identifying information about the victim.

F. The College will to the extent possible maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

Investigation Requirements And Procedures [34 CFR §668.46(b)(11)(ii)]

A. All proceedings will include a prompt, fair, and impartial investigation and result. The College will provide the respondent and complainant equitable rights during the investigative process.

B. All complaints of sexual misconduct shall be presented to the Title IX Coordinator or designee for investigation and appropriate disposition, subject to the confidentiality policy.

C. Mediation between the complainant and respondent will never be considered an appropriate resolution in sexual misconduct cases.

D. Initiating an investigation

1. Immediately upon receipt of a complaint, the Title IX Coordinator shall communicate with the complainant to identify and implement any reasonable interim measures

necessary. Absent good cause, within three (3) business days of receipt of a report of sexual misconduct the Title IX Coordinator or designee shall attempt to get a written statement from the complainant that includes information related to the circumstances giving rise to the complaint, the dates of the alleged occurrences, and names of witnesses, if any. The complainant should complete a complaint form and submit a detailed written report of the alleged incident.

2. When the complainant chooses not to provide or sign a written complaint, the Title IX Coordinator or designee will investigate to the extent possible and take appropriate action.
3. In addition to immediate interim measures, the Title IX Coordinator shall consider what, if any, interim measures may be necessary during the pendency of the investigation.
4. Complaints made anonymously or by a third party will be investigated to the extent possible.
5. After consultation with TBR General Counsel, if the Title IX Coordinator determines that the complaint contains an allegation of sexual misconduct, the Title IX Coordinator shall follow the procedures set forth in this policy to investigate and adjudicate the complaint.
6. The Title IX Coordinator may appoint a qualified, sufficiently trained person to investigate the allegations made in the complaint.
7. Only one person shall be identified as the investigator for a complaint, though the investigator may have a second person present during interviews to take notes.
8. Investigations shall be conducted by officials who do not have a conflict of interest or bias for or against the complainant or respondent.
9. If the complainant or respondent believes the assigned investigator has a conflict of interest, that party must submit a written explanation of the reason for that belief to the College's executive vice president – provost (provost). The explanation must be submitted within three (3) business days, absent good cause, of the time when the party knew or should have known the facts that would give rise to the alleged conflict of interest. The provost will determine if the facts warrant the appointment of a different investigator and respond to the party in writing within three (3) business days, absent good cause. The decision of the provost shall be final.

E. What the investigation should and should not entail

1. Once the investigator receives the complaint, the investigator shall notify the victim (Complainant) in writing of his/her rights and request a meeting.
2. The investigator shall also notify the accused (Respondent) in writing of the complaint and his/her rights and request a meeting with the respondent.
3. The investigator shall notify the complainant, respondent and all individuals interviewed during the investigation that retaliation is strictly prohibited and may be grounds for disciplinary action. In addition, the investigator shall advise all interviewees that they should contact the investigator immediately if they believe they are being retaliated against.
4. The investigation shall include interviews with both the complainant and respondent, unless either declines an in-person interview.
5. The complainant and respondent shall be provided with the same opportunities to have others present during any interview, including the opportunity to be accompanied by the advisor of their choice to any related meeting or proceeding.
6. The College will not limit the choice of advisor for either the complainant or respondent.

7. The investigation shall include interviews with relevant witnesses identified by the complainant and respondent or any other potential, relevant witness made known to the investigator via other means.
8. The investigation shall include the gathering and reviewing of any documentary, electronic, physical, or other type of relevant evidence.
9. The investigator is expected to request a list of relevant witnesses and evidence from complainant and respondent and take such into consideration.
10. The investigator shall not consider any evidence about the complainant's prior sexual conduct with anyone other than the respondent. Evidence of a prior consensual dating or sexual relationship between the parties by itself does not imply consent or preclude a finding of sexual misconduct.

Outcome Of Investigation And Determination Of Appropriate Action

- A. Upon completion of the investigation, the investigator shall prepare a written report that includes the allegations made by the complainant, the response of the respondent, corroborating or non-corroborating statements of the witnesses, review of other evidence obtained, conclusions that may be drawn from the evidence gathered, and recommendations about the disposition of the matter.
- B. It is the responsibility of the investigator to weigh the credibility of all individuals interviewed and to determine the weight to be given to information received during the course of the investigation.
- C. The report shall be delivered to a designated "decision maker."
 1. The vice president of administrative services if the respondent is an employee;
 2. The executive vice-president and provost if the respondent is a student
- D. After review of the report the decision maker shall make a determination based on a preponderance of the evidence presented as to whether or not a violation of this policy occurred.
- E. The decision maker's determination shall be communicated in writing simultaneously to the complainant and respondent, along with notice to the parties of their right to request an institutional hearing on the determination that a policy violation did or did not occur.

Timeframe For Conducting The Investigation

- A. Every reasonable effort shall be made to conclude the investigation and resolve the complaint within sixty (60) calendar days following receipt of the complaint. Within this sixty (60) day timeframe, absent good cause, it is expected that the investigator will conclude the investigation, that the investigator will present a report to the, and that the investigator will notify the parties in writing of decision maker's determination.
- B. If the investigator or decision maker determines that additional time is needed, both parties shall be notified in writing of the delay, the anticipated date that the investigation will be concluded, and the reasons for such delay.

- C. If either party determines that additional time is needed, that party shall request such in writing to either the investigator (if the decision maker has not yet made a determination). The written request for additional time shall include the reasons for the requested delay and the number of additional days needed.
- D. The investigator shall make every reasonable effort to respond to the request for additional time within two (2) business days following receipt of the request and shall notify both parties in written as to whether or not the request is granted.

Institutional Hearing [34 CFR §668.46(b)(11)(vi)]

- A. Either party may request an institutional hearing on the determination that a policy violation did or did not occur by providing written notice of the request to the investigator within ten (10) business days of receipt of the decision makers' decision.
- B. If a request is not received within ten (10) days, the decision maker's determination is final.
- C. The hearing may be held before either a hearing officer or hearing committee. The President of the College shall determine whether to proceed with a hearing officer or hearing committee and shall appoint individuals to serve in those capacities.
- D. If the complainant or respondent believes the hearing officer has or the hearing committee member(s) have a conflict of interest, that party must submit a written explanation of the reason for that belief to the appropriate decision maker. The explanation must be submitted within three (3) business days, absent good cause, of the time when the party knew or should have known the facts that would give rise to the alleged conflict of interest. The decision maker will determine if the facts warrant the appointment of a different investigator and respond to the party in writing within three (3) business days, absent good cause. The decision of the decision maker shall be final.
- E. If such a hearing is requested, every reasonable effort shall be made to conclude the hearing and resolve the appeal, including any appeal to the President, within thirty (30) days following the College's receipt of the party's request for a hearing
- F. The parties to the hearing may not engage in formal discovery.
- G. Each party is entitled to have an advisor of choice available; however, the advisor may not participate in the proceeding other than to render advice to the party.
- H. The College will not limit the choice of advisor for either the complainant or respondent.
- I. The complainant and respondent shall be timely notified of all meetings relevant to the proceeding.
- J. The hearing officer or chair of the hearing committee shall control the procedures of the hearing with due consideration given to the parties' requests related to procedures such as, but not limited to, limitations on cross-examinations, recesses so the parties may consult with their advisors, and scheduling of hearings.

- K.** The hearing officer or hearing committee shall use a preponderance of the evidence standard when reaching a decision.
- L.** Absent good cause, within five (5) business days of the close of evidence, the hearing officer or committee shall issue a written determination as to whether or not a violation of this policy occurred and the justification for this decision.
- M.** Each party shall be simultaneously notified of the hearing officer or committee's decision in writing, which shall include notice of their rights to appeal the hearing officer's or committee's determination to the President.

Appeal Of Hearing Decision

- B.** If either party chooses to appeal the hearing officer's/committee's decision, the party shall notify the investigator in writing of the decision to appeal within five (5) business days of receipt of the hearing officer's/committee's determination.
- C.** If a written request for appeal is not received within five (5) days, the decision of the hearing officer/committee is final.
- D.** The appealing party(ies) must explain why it is believed the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, and how this would change the determination in the case.
- E.** The President will issue a written response to the appeal as promptly as possible. This decision will constitute the College's final decision on the complaint.

Effect Of A Finding Of A Violation Of This Policy [34 CFR §668.46(b)(11)(vii)]

- A.** If a final decision has been made that a policy violation occurred, the respondent shall be referred to the appropriate personnel for a determination of discipline.
- B.** The appropriate personnel will be determined by the status of the respondent. For example, if the respondent is a student, then the matter may be referred to the associate vice president of student services. If the respondent is an employee, the matter may be referred to the director of human resources.
- C.** If the respondent is a student, the College will follow the procedures for disciplining students as described in TBR Chapter 0240-03-09 Columbia State Community College Student Disciplinary Rules.
- D.** If the respondent is an employee, the College will follow the procedures related to disciplining employees as described in applicable employee policies.
- E.** Notwithstanding any policy to the contrary, the following additional requirements apply to disciplinary actions related to violations of this policy:

 2. The complainant shall be allowed to have an advisor of her/his choice attend any meeting or hearing.
 3. The complainant shall be allowed to testify at any hearing during the disciplinary process, even if neither party intends to call the complainant as a witness during the case-in-chief.
 4. The complainant shall be allowed access, consistent with FERPA requirements, to any evidence presented during any disciplinary meeting or hearing.
 5. The Title IX Coordinator or designee shall be appointed as the complainant's contact person for any questions or assistance during the disciplinary process.
 6. The complainant shall receive written notice, consistent with FERPA, of the outcome of the disciplinary process.
- F. If a final decision has been made that a policy violation occurred, the Title IX Coordinator or designee shall determine any remedies are required to address the campus-wide environment, taking into consideration the impact of an incident of sexual misconduct on the campus as a whole and on specific groups or areas on campus. For example, the Title IX Coordinator or designee may determine that specific training is needed for a student group whose members have been accused of sexual assault.
- G. Subject to federal law, state law, and TBR policies, the following sanctions may be imposed by the institution following the results of any institutional disciplinary proceeding for an allegation of dating violence, domestic violence, sexual assault, or stalking:
1. Restitution
 2. Warning.
 3. Reprimand.
 4. Service to the institution or community.

Interim Measures [34 CFR §668.46(b)(11)(v)]

In situations that require immediate action because of safety or other concerns, the College will take any reasonable administrative action that is appropriate. Examples of such interim actions include, but are not limited to:

- A. Providing an escort to ensure that the complainant can move safely between classes and activities;
- B. Ensuring that the complainant and respondent do not attend the same classes;
- C. Providing referrals or access to counseling services;

Sex Offender Registration [34 CFR §668.46(b)(12)] (All Campuses)

In accordance to the *Campus Sex Crimes Prevention Act of 2000*, which amends the *Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act*, the *Jeanne Clery Act* and the *Family Educational Rights and Privacy Act of 1974*, Columbia State Community College's security department is providing a link to the Tennessee State Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, carries a vocation or is a student. Members of the campus community may obtain the most recent information received from the Tennessee Bureau of Investigation (TBI) concerning sex offenders employed, enrolled or volunteering at this institution from the TBI's website listing of sex offenders located at http://www.tbi.state.tn.us/sex_ofender_reg/sex_ofender_reg.shtml.

Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class 1 misdemeanor.

Emergency Response and Evacuation Procedures [34 CFR §668.46(b)(13)]

Columbia State maintains a plan for each campus. Please see links below for complete plan/procedures.

[Columbia Campus](#)

[Williamson County Campus](#)

[Lawrence County Campus](#)

[Lewisburg Campus](#)

[Clifton Campus](#)

Each of these plans document the procedures that the individual campus will use to immediately notify the campus community of significant emergencies or dangerous situations involving threats to human health or safety of students or employees occurring on campus.

In the event of a serious incident that poses an immediate threat to members of the Columbia State community, Columbia State has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to the campus community. These methods of communication include network emails, emergency text messages that can be sent to a phone or the campus wide paging system.

Columbia State Community College will without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Columbia State conducts emergency preparedness drills to test the emergency response and evacuation procedures of each facility at all campuses on an annual basis. The results of each of these drills are recorded documenting the date, time, and whether it was an announced or unannounced drill.

Missing Student Notification Procedures [34 CFR §668.46(b)(14)]

The Department of Education requires under 34 CFR §668.46(b)(14) that any institution that provides any on-campus student housing facilities must include a statement of policy regarding missing student notification procedures for students who reside in on-campus student housing facilities in its annual security report. Columbia State Community College did not provide any on-campus student housing facilities during this reporting period.

* For the reporting year 2012, three burglaries were reported for the Columbia Campus. During the report generation period for the reporting year 2013, the 2012 crime log was reviewed. Based on this review it was determined that the three cases, which were classified as burglaries during 2012, did not meet the Department of Education (DOE) definition of burglary, which is outlined on page 46 of the DOE publication The Handbook for Campus Safety and Security Reporting.
